

catering menu

For our Caterings we don't only offer sandwiches and salads, we offer much more than that. We offer a wide range of foods from pastas, lasagnas, chicken, etc. We also take requests and are willing to work with you if you would like something specific or something special. We have a vast experience in the restaurant and catering business and we can cater to virtually any occasion. If you are interesting in our catering services and/or have any further question, don't hesitate and feel free to contact us with any questions you may have. We look forward to hearing from you!
